

HK Henderson Growing with Creation of New Consulting Division

Expansion creates Saskatchewan's largest commercial multi-line brokerage.

Moose Jaw, SK, October 7, 2024 – HK Henderson, Saskatchewan's premier commercial brokerage is pleased to announce a new group benefits division, effective November 1, 2024. The creation of HK Henderson Consulting reflects their ongoing commitment to the evolving needs of their clients.

Dynamic Core Benefits, who joined Navacord in 2022, has transitioned under fellow Navacord Broker Partner HK Henderson's banner to create a truly unique multi-line brokerage. This growing team of industry specialists are committed to furthering business innovation and service offerings to their clients.

For nearly 60 years, HK Henderson, a second-generation commercial brokerage led by president and CEO David Reidy, has provided customized insurance services across many industries with a focus on risk management and providing unparalleled solutions to Saskatchewan businesses. Similarly, Dynamic Core Benefits, led by President Jenny Hart, has been providing expertise in group benefits, employee assistance programs, pension plans and private health services plans for over 20 years.

The evolution of HK Henderson to include a group benefits and retirement division creates opportunity for clients to capitalize on their time with a committed team who understands and has the ability to provide more holistic solutions for their rapidly changing business needs.

"We are excited to introduce HK Henderson Consulting," said David Reidy, president and CEO, HK Henderson "it represents our commitment to providing a dynamic team of specialists for our clients. This new division will allow HK Henderson to provide expertise and broader advice to Saskatchewan's business community."

This transition to HK Henderson was a natural evolution based on similar cultures of collaboration and partnering with our clients who now have the convenience of an education driven and client-centric approach that is focused on results.

HK Henderson has locations in Saskatoon, Regina and Moose Jaw.

About HK Henderson

HK Henderson's journey to becoming one of Saskatchewan's largest commercial multi-line brokerages began in 1965 and includes the evolution of Dynamic Core Benefits becoming HK Henderson Consulting. Today, they are proud to serve their communities with offices in Saskatoon, Regina and Moose Jaw, providing insurance and risk management solutions for clients in Western Canada. With a commitment to client success and making a difference in their communities, HK Henderson's expert advisors deliver trusted advice and tailored solutions so clients can face a complex world with confidence.
